“ Grandma ❤️ was the light of the party and always will be. She was there for me after my kids birth and she gave them so much love I'm glad she was able to see my last child Roxas. She was able to share something wonderful with him, and that's their birthday cause she always told me she wanted a little buddy and he's a ray Sunshine who doesn't stop smiling , she also got to be my girls best great grandma in the world. I love you Grandma ❤️! don't stop dancing, Don't stop singing, I'll see you soon when the time comes.
