“ I dont even know where to start. That was the hardest thing I've ever done in my life I miss you so much and I don't know what I'm going to do without you. I love you Angel and will always carry you with me. It kills me that these are the memories I will have of the last time I got to see you and im just so so sorry. I can't wait to see you again. I love you.

“ Mi hermano. Más que eso mis ojitos azules. No sabes cuanto me duele al saber que ya no estas. Que hace 2 años atrás te pude ver abrazarte y besarte y que fue nuestro encuentro y nuestra despedida. Como duele solo me conforta que se que estas con Papi y Lucy. Siempre estarás en mi corazón en un lugar muy especial. Vuela alto mi querido hermano. Luv u for ever My little Luisito

“ *I love you Angel and I miss you so much I would give anything to see you one last time. Your smile your laugh everything about you, you were just such a special person. Your strength was truly inspiring and I am just so proud of you and how far you came, you didn't deserve this at all. I would trade places with you in a heartbeat if I could. The only thing that brings me any peace is that I know you are finally reunited with your mother who you carried with you every single day. You will always be a part of me and nothing will be the same without you. I love you and can't wait for the day we meet again. Love you always, your Chula ❤️*

“ Will always remember your smile & your laugh, I swear I still hear it echoing in my head.. Now, tears cascade endlessly. Angel you meant so much to me, more than I would have ever thought but with a personality like yours who couldn't feel this way. You were always so calm and caring and you will always be remembered this way . Your gentle and nurturing spirit will be etched in our memories forever. Until we reunite, I hold you dearly in my heart, Angel. - Yazmin M
