“ *To Dennis and family.*

I just learned of Brian's passing and wanted to extend my deepest sympathies. I very much enjoyed working with Brian and looked forward to his visits before each election. I always knew I could go to him with any questions. I am so sorry for your great loss.

“ *I am so saddened to have heard of Brian's passing. My memories of Brian will live forever deep within my heart. We lost touch, but for many years I intended to reach out. That will never come to be, not in this lifetime.*

I hope and pray our paths will cross again and we can relive that pure child like love. My heart goes out to his family and friends.
