“ Anoché me enteré de tu partida y no sabe el dolor tan grande que siento, te fuiste sin despedirte de mi sabiendo porque sabía que me causaría tanto dolor. No quiero crees que ya no estés, tanto que hablábamos y nos reíamos mi happy como yo te llamaba. Te extraño muchísimo y yo pensando que tu estabas enojado porque te llamaba y no contestaste el celular.

“ I love you so much, and I miss you beyond words. I would give anything just to see you one more time, your smile, your laugh, and hear your funny jokes. You were truly one of a kind. Your strength was unmatched, and I am so proud of everything you overcame. We have truly lost one of our family’s legends. The only comfort I find is knowing you are finally with your mom (Titi Geltru), the love of your life. You will always be a part of us, and life will never be the same without you. Until we meet again, Primo (Lil Bro). Love you always, Sandy. ❤️

💕💕 Edward, the entire family, & I will carry your memory with us everyday💕💕
