“ Dear Cousin Connie. So long apart from when we grew up in Queens. To finally catch up again on the phone several years back. Loved some of the reminiscing we did and hoped for a time when we might have been physically closer. I love you Connie. Rest in Piece, and save me a chair.

“ A wonderful, kind and loving person. We had the pleasure of being part of Connie's family for thirty years. Her beautiful and loving sister was our daughter-in-law's mother. Both Connie and Olga made us feel so special and a part of the wonderful the Misciagna family. Connie will be missed. God Bless her and let her finally rest in peace with those she loved so much. “ Connie (Mrs G) I know for over 50 years, her daughter Christine and I have been besties since we were young teens. I don't know a harder working, genuinely kind or more loving human, life wasn't easy raising three kids while working long hours but their bellies were full and clean clothes on their backs. Connie always welcomed me as a family member and I absolutely loved and embraced it. I love you and will greatly miss you, Rest In Peace. ❤️🙏

“ Our family knew Connie for over 40 years ever since my husband joined the Engineering faculty at Farmingdale State College . She was a very kind , helpful , sincere and most helpful front office staff lady . She remained a good family friend right up until she sadly passed.....we talked on the phone every month. She will be very much missed. Our most sincere condolences to her daughter Christine and her family as well as Vinny and his family. ,May she RIP .

“ Connie and I have been friends for over 50 years. We met at work and had lunch together every day. We shared many ups and downs through the years and although we didn't live close we had a "phone" visit every week. We supported each other and always felt better after we talked. So dear friend I will miss those "visits" but most of all will miss you, rest in eternal peace. Love You Mildred
