“ Dear David ... Artist, martial artist, true artist in every sense of the word. Keep hearing “I always thought that I’d see you again” playing in my head. Not the fire and rain part, just the someone who has been part of my life that time and distance came between. But occasional connections like a ray of light did occur. So many things not said but always felt. Rest in peace in those mountains you love. With the animals you love. You and the spirit of your beautiful Dee forever young and in love.
