“ Dear Evelyn, although we did not get the chance to meet you, you were already so loved by many of us. You're an angel taken away too soon, but I know you will be watching over your Mommy, Daddy, and little sister.

“ Dear Evelyn, the day your Mommy told us she was expecting you, we immediately saw how happy you made her. You were her dream come true for your family, especially your big sister Addie. We celebrated you with pink decorations and looked so forward to the memories we'd all make with you. God had other plans for you, the day we met you, you were a sweet sleeping angel. I know you will watch over your mommy and sister eternally. God bless you, may you sleep in peace.
