“ Helen , I can't believe you are gone . We have been friends for about 25 years . I am so sorry I missed your service. I had no clue to google it . Well the memory of the brown coin purse will always be joked about with my daughter . You did so much for your parents and all the animals you and Z rescued . I will miss you so much .

“ I will never forget Helen's welcoming, cheerful spirit. We are so grateful she was always there for the family, specially to help my parents-in-law with home and medical cares. My love and prayers will always be there for you, Helen. You are so missed.

“ My sister, Helen, always had a genuine softness and goodness for people and animals in her heart. She loved Sasha, her pet dog, for many years. Her generosity and love also extended to my parents in helping them for years with home and hospital care. You will be missed, sister. May God grant you peace and rest your soul in His arms in Heaven forever. Love Eternally, Thomas
