“ I met Jason when he was working his second career as a NYS Court Officer. He was the quintessential gentleman, intelligent and had a wonderful sense of humor. I have not seen him in decades, but think of him often. I’m a better person for knowing him.

“ Growing up with Adam, I’ll always remember the times Mr. Lichtenstein would take me with Adam to the movies, Jolly Roger’s to play games and go on rides, etc. Wishing your family and friends loving memories to forever hold in your heart.
