“ Sending sincere condolences to all of the "cousins" wherever they may be. We have lost a giant. As a neighbor for about 40 years I interacted with Joyce on many occasions. She was my intellectual idol--a meet-up always meant a piece of important information, an hilarious joke, a funny story --Joyce was full of stories. She always remembered my birthday and was graciously thankful when I remembered hers. She will be greatly missed but I will always have the memory of our wonderful interactions. jdavis

Hi Je,

My name is Felix. My mother's name is Celestina. She moved from Nigeria, and Auntie Joyce was kind enough to open her home in the late 80's. You may have met her, she was a woman in her mid 20's that moved in with Auntie Joyce in 1988. My mother was out of the country at the time of Auntie Joyce's passing and was hoping to connect with someone who knew her/was able to attend her service. If you wouldn't mind contacting me at felixumetiti@gmail.com or 8623008488, I would really appreciate it. Thank you.

“ I will miss the long interesting and engaging discussions I had with my cousin. I grew up calling her Aunt Jo, although she was my cousin! I was proud to learn that my middle name was given to me in honor of my Aunt Jo!
Rest in Peace cousin. Love Kathy Jo
