“ Merry Christmas Daddy ! I remember vividly putting up the tree & decorating while you supervised from your recliner ! You would also hold the ornaments and assist me in finding just the right spot . Remember putting the fire truck & firemen's hat under the tree. Of course the nativity set was front & center.
Miss you so much along with Mami everyday but, especially on tge holidays. I hope you're directing the Christmas Tree decirating from a celestial recliner .

“ *Daddy over a month has passed and I miss you more & more with each passing day ! I pray you've found peace and have been reunited with all our loved ones.*

*I'll always miss & love you but, I'm content your pain and suffering is over . You fought so hard for so long and you'll always be my greatest inspiration.
Until we meet again.*

“ Trevor and I will always remember you always had a story and jokes to tell. Best one is you would say BLT instead of TMI. Rest in peace.

“ My grandfather was very near and dear to me; grandpa showed me how to find humor in difficult situations and always provided a light at the end of the tunnel. Grandpa it's always excited to see you when I would come over weekly and I would talk with him, he would tell me how life was back in the day. I miss those conversations and would do anything to have them back. Grandpa I love you and may you rest in peace.
