“ Chubby, as I always called you, you were more than my cousin you were my little sister. I will forever miss your high-pitched, squeaky voice, the way you confidently bossed everyone around, and most of all your laughter. I will always remember how you would bounce on the chair in excitement after finding the snacks I tried to hide from you, eating them all without a care in the world. Those moments will live in my heart forever. I love you deeply, and you will be missed beyond words.

Your favorite cousin - If you know you know. Ez
