“ *What a beautiful spiritual woman our sister Porciana Gilles was; I have never seen her angry or being rude.*

As a teenager when I knew her, she always had a glowing smile and a wonderful personality. She was the spiritual head of her family raising all her children in the truth as worshippers of Jehovah.

Being a great mom as well as a submissive wife, Jehovah blessed her with her husband accepting the truth, getting baptized, and serving our Lord and creator Jehovah happily together.

I look forward for the resurrection hope, when both my mom Eliane Laventure and Porciana Gilles will laugh again together as they use to do when they attended the French congregation of Jehovah's Witnesses in the 70's.

Like most of you I loved that lady, she was a gem a precious gem and will always be remembered for her Christian deeds and dedication.

Sleep well my dear sister Porciana; Jehovah has got you now until we meet again.
