“ I’m very sad to hear of Bobby’s passing. He was as real a person as you’d ever meet. Nothing phony about him. He could be serious as hell one minute and could have you crying with laughter the next. He was a good man.

“ I just wanted to say that I met Robert in Mr Manns 6th grade class at Islip Jr High. After that we played on the same football team and also on the same wrestling teams. We hung out sometimes in Jr High and High school. I remember the good times we had and also his mom and grandma feeding us at his house. He and his family are in our prayers 🙏 God bless 🙌
