

Scott Lee Fowler Liebethuth

February 14, 1964 - March 13, 2025

Scott Lee Fowler Liebethuth was born on February 14th, 1964 in Hempstead, NY to Leslie Nan Alvarez and Ralph Andrew Fowler. He spent most of his childhood and earlier years in Lynbrook, NY where he was adopted and raised by his grandparents Fred and Elsa Liebethuth. He graduated from Lynbrook Senior High School in 1982 and worked in the food service industry as a cook for nearly four decades.

Scott passed away unexpectedly at the age of 61 on Thursday March 13th, 2025 in Bay Shore, NY. Scott is survived by his three children: his son Justin, his two daughters Emileigh and Amanda along with his grandson Eleazar and two cats, Buddy and Momma.

Scott always loved reminiscing about his childhood. So much so that he would take his three kids to some of his favorite spots to eat and play including camping trips to Vermont during the summertime. Collecting old school comics or figurines from his favorite classical movies, playing video games, going out for drives to the beach, fixing cars and caring for his pets were some of his most treasured hobbies and interests.

Scott will always be remembered as a witty jokester who loved connection to his past, his family and sharing funny memes with his closest friends through

texts and emails. His all time favorite video games and old school arcades include the original super mario, donkey kong, pac man resident evil, parasite eve, metal gear solid, dino crisis and tomb raider. Some of his favorite movies include Godzilla, Mars Attack, Team America World Police, Elvira Mistress of The Dark, The Rocky Horror Picture Show and the original monsters.

Scott's memory will live on through his children, grandchild, friends and family. His funeral service will be held at Fabrizio Funeral Chapels in West Babylon, NY on Friday March 21st, 2025 from 5:30pm-7pm. “ *My childhood memories with Scott are endless. Scott & I were in Atlantic Avenue Elementary School together & we became close friends. My Mom & Scott's Grandmother became lifelong friends. Our families shared so many special memories together from Cow Meadow Park, to Bay Park, to Nunley's. Elsa always had us on the go. We spent so much time in Vermont visiting the Old School House along with Elsa's family. I will never forget all the times we spent with Scott's Grandfather Fred in the barn where he would teach us all about antiques. My memories are endless & I will hold them near and dear to my heart Rest in Eternal Peace my Friend*

“ *I was heartbroken to learn of the passing of my dear friend Scott. I will always remember all the fun we had back in the early 1980's cruising Long Island and hanging out on the CB radio. We would shoot billiards, go to Long Beach and hang out with other friends at the monthly Nathan's CB break. He loved his family, friends and pets. Scott was a good mechanic and loved cars. He would always take time to listen to me when I needed a friend to talk to. He loved talking about the good old days and he kept those memories alive. I will miss you, Scott. I'll call you when I get there.*

*Your Friend,
Charlie "The Nightstalker" McDaid*
