“ Sincere condolences to Susan's family. I met Sue when I joined the Islip AARP volunteers. She was one of the first to welcome me. Her enthusiasm encouraged me to get involved and attend more events. I miss her smile

“ Sue left us unexpectedly, as we thought that she was in recovery mode. Sue and I started to attend this cinema house last year to see interesting, mostly independent films. She joined Michelle to attend a Nativity play days before this last Christmas. She enjoyed the theater; she frequently attended performances at the CM theatre as part of our tabling program.

Sue was our go-to expert when it came to navigating the health insurance world. She brought us speakers to our AARP meetings covering pertinent topics such as reverse mortgages as well as health insurance.

Following are some photos of our joint activities, Shredding, Flag planting for Memorial Day, Food Drive.

Sue,
We will miss you.

My condolences to her sister and her family.
